The California Police Pistol Association

invites you to the 2021

CHP Pistol Team

and

CAHP Memorial

NRA Police Pistol Combat Tournements

The California Police Pistol Association is sponsoring two Sanctioned NRA Police Pistol Combat Registered Tournaments on the same weekend at the Sacramento Sheriff's Firearms Training Center and simultaneously as a "Postal Tournament" at the Ben Clark Public Safety Training Center in Riverside.

By having back-to-back Tournaments shooters can compete in two Tournaments in one weekend, have all scores fired eligible for NRA Classification, and save travel costs and time.

The Tournaments will be conducted on Saturday September 4th and Sunday September 5th with the CHP Combined PPC Tournament to be fired first and the CAHP Memorial PPC Tournament second. You can fire both Tournaments on one day or over two days.

Matches Offered: Each Tournament will offer the NRA Open Class Semi-Automatic Pistol Match and Open Class Revolver Matches. The CHP PPC Tournament will also offer the NRA Stock Service Semi-Automatic Pistol Match and Stock Service Revolver Matches. The CAHP Memorial PPC Tournament will offer the California Police Pistol Association Distinguished Matches, including Production Distinguished.

There will also be non-sanctioned Two and Four Officer Team Matches available that will be non-fired paper matches using each team members Match 5 score. Since this is a non-fired match, pursuant to PPC Rule 19.3 no team scores will be forwarded to NRA Law Enforcement Competitions. All teams must be declared with John Koon prior to the first member of the team firing a shot. Failure to do so will result in the disqualification of the entire team.

Locations and Points of Contact:

Primary Range - Sacramento Sheriff's Firearms Training Facility
12270 Bruceville Road
Elk Grove, CA. 95757

Please contact John Koon at JohnKoon@pacbell.net for more information, shooting times and to Pre-Register.

Postal Location - Ben Clark Public Safety Training Center
3473 Davis Road
Riverside, California 92518

Please contact **Mike Tangas**, email: mktangas@roadrunner.com for more information, shooting times and to Pre-Register.

Governing Rules: Current NRA Police Pistol Combat Rules will govern throughout the Tournaments. All competitors are encouraged to review the current PPC rules. The NRA Police Pistol Combat Rule Book is available on-line at **ppc.nra.org**.

Eligibility: Open to any eligible law enforcement member as outlined in Police Pistol Combat Rule Section 2.4. NRA Membership is not required for any NRA competitions but is encouraged. A special law enforcement discount form for NRA Membership and Renewal will be available at check in.

Registration: Pre-Register by using the form on the last page or in person on-site. Due to the limited number of shooting lanes available, Pre-Registration is highly recommended. If you are going to register on-site please complete the Registration Form and bring it with you to speed your registration process.

All competitors MUST present the following items during Registration Check In:

- Valid Department or Agency Identification showing eligibility.
- Current Classification Card or current Temporary Classification Book unless you have not fired in a PPC Tournament before.

Match Schedule and Relay Times: The Statistical Offices will open one hour prior to the first match being fired with competition scheduled to begin at 0900 at Elk Grove and 0800 at Riverside. Relays will be fired on the hour with the last relay at 1400 hours each day.

Please contact the listed Point of Contact for the firing location you will be shooting at for specific Match Order and Relay details.

** The Sacramento Range will open both days. **

The NRA suggested that Match Directors could, at their discretion, use only the NRA National Police Course of Fire (or Matches 5 & 12) for their Tournaments. The CPPA Board of Directors and Match Hosts discussed the matter and came to the conclusion that for 2021 the registered matches could be the 60 round Match 5 or 12 if that host so desires. The State Championship and the Regional should remain a full 1500 (150 round course of fire) to maintain the integrity of a Championship or Regional. Overall, this should result in a much lower rate of ammo consumption for the shooters as well as making their match day shorter." Both CHP Matches will be shooting the 60rnd matches

Scoring: Competitor scoring will be used. Pursuant to PPC Rule 14.2, **NO** competitor will score their own target **NOR** may a competitor score the targets of a competitor from their same agency. If this cannot be avoided due to the Relay's makeup contact a Tournament Official to score the targets. PPC Rules prohibit the use of plug-type scoring gauges. Overlays and Eagle Eyes may be used by competitors.

Competitors will inspect their own targets after scoring, check their score card for correctness and sign their score card to indicate acceptance of the score.

Accepted score cards will be checked by the Statistical Office and posted on the Match Results Bulletin Board. Competitors must sign their scorecards or risk not having scores accepted.

The Challenge will then be processed following NRA PPC Rule 16.1.

Courses of Fire: The Range Officer will announce the course of fire, shooting positions and time prior to the start of each Match and Stage. Time will start with a loaded gun in holster. No part of the competitor's hand may touch the gun or holster until the command to commence firing is given.

All loading will be with cartridges taken from the competitor's pocket, cartridge belt, mechanical loaders, or special pouch. To force reloading under time restraints, magazine loading is limited to 6 rounds per magazine. There is no limit on the number of magazines you have but all used during the firing of a stage or string MUST be on your person. It is the competitors' responsibility to have sufficient ammunition in their possession to complete the Match being fired.

A conventional right or left-hand holster must be used. For safety reasons, shoulder, cross draw or holsters which require releasing by insertion of finger within the trigger guard will not be allowed. Holster cannot be tied down.

If a competitor is uncertain about any equipment being eligible, they must contact the Tournament Director and NRA Match Supervisor for a decision prior to firing the first Match.
