

The California Police Pistol Association

invites you to the 2023

CHP Pistol Team

and

CAHP Memorial

NRA Police Pistol Combat Tournaments

The California Police Pistol Association is sponsoring two Sanctioned NRA Police Pistol Combat Registered Tournaments on the same weekend at the Sacramento Sheriff's Firearms Training Center and simultaneously as a "Postal Tournament" at the Ben Clark Public Safety Training Center in Riverside.

By having back-to-back Tournaments shooters can compete in two Tournaments in one weekend, have all scores fired eligible for NRA Classification, and save travel costs and time.

The Tournaments will be conducted on Saturday April 22nd and Sunday April 23rd with the CHP Combined PPC Tournament to be fired first and the CAHP Memorial PPC Tournament second. You can fire both Tournaments on one day or over two days.

Matches Offered: Each Tournament will offer the Open Class Semi-Automatic Pistol Match and Open Class Revolver Matches. The CHP PPC Tournament will be an NRA Registered Match and will also offer the NRA Stock Service Semi-Automatic Pistol Match, Duty Production and Stock Service Revolver Matches. The CAHP Memorial PPC Tournament will offer the California Police Pistol Association Distinguished Matches, including Production Distinguished.

There will also be non-sanctioned Two and Four Officer Team Matches available that will be non-fired paper matches using each team members Match 5 score. Since this is a non-fired match, pursuant to PPC Rule 19.3 no team scores will be forwarded to NRA Law Enforcement Competitions. All teams must be declared with John Koon prior to the first member of the team firing a shot. Failure to do so will result in the disqualification of the entire team.

Locations and Points of Contact:

Primary Range - Sacramento Sheriff's Firearms Training Facility
12270 Bruceville Road
Elk Grove, CA. 95757

Please contact John Koon at JohnKoon@pacbell.net for more information, shooting times and to Pre-Register.

Postal Location - Ben Clark Public Safety Training Center
3473 Davis Road
Riverside, California 92518

Please contact **Gio Barr**, email: gbarr@riversidesheriff.org for more information, shooting times and to Pre-Register.

Governing Rules: Current NRA Police Pistol Combat Rules will govern throughout the Tournaments. All competitors are encouraged to review the current PPC rules. The NRA Police Pistol Combat Rule Book is available on-line at ppc.nra.org.

Eligibility: Open to any eligible law enforcement member as outlined in Police Pistol Combat Rule Section 2.4. NRA Membership is not required for any NRA competitions but is encouraged. A special law enforcement discount form for NRA Membership and Renewal will be available at check in.

Registration: Pre-Register by using the form on the last page or in person on-site. Due to the limited number of shooting lanes available, Pre-Registration is highly recommended. If you are going to register on-site please complete the Registration Form and bring it with you to speed your registration process.

All competitors MUST present the following items during Registration Check In:

- Valid Department or Agency Identification showing eligibility.
- Current Classification Card or current Temporary Classification Book unless you have not fired in a PPC Tournament before.

Match Schedule and Relay Times: The Statistical Offices will open one hour prior to the first match being fired with competition scheduled to begin at 0900 at Elk Grove and 0800 at Riverside. Relays will be fired on the hour with the last relay at 1400 hours each day.

Please contact the listed Point of Contact for the firing location you will be shooting at for specific Match Order and Relay details.

**** The Sacramento Range will open both days. ****

The NRA suggested that Match Directors could, at their discretion, use only the NRA National Police Course of Fire (or Matches 5 & 12) for their Tournaments. The CPPA Board of Directors and Match Hosts discussed the matter and came to the conclusion that for 2023 the registered matches could be the 60 round Match 5 or 12 if that host so desires. The State Championship and the Regional should remain a full 1500 (150 round course of fire) to maintain the integrity of a Championship or Regional. Overall, this should result in a much lower rate of ammo consumption for the shooters as well as making their match day shorter.” The CHP and CAHP Matches will be shooting the 60rnd matches
