Tournament Information

The San Diego Sector of the United States Border Patrol is conducting two NRA Police Pistol Combat Tournaments concurrently so you can compete in two separate Tournaments during the same time period with all fired scores eligible for NRA Classification, to increase the number of matches you can fire, and allow you to save travel costs and time.

These Tournaments are a great way for you to evaluate your skill level, identify needed training areas, and practice your handgun skills to keep you prepared for the ever-increasing dangers you face on the street and off duty.

The Paradise Classic Regional PPC Tournament and the Retired Border Patrol Registered Tournament will run concurrently from Saturday August 20th through Sunday August 21st.

First Time Shooters

You do NOT need any fancy gear or guns to start shooting these matches. Just bring your duty handgun, four magazines, holster & magazine pouch. There is nothing to memorize, the course will be announced as you shoot just like the stages during a qualification and fellow officers will gladly help you out. You can even use your stock duty gun to fire the Open Class Division.

Point of Contact: Please contact Mike Tangas at mktangas@roadrunner.com for any information needed and Registration questions.

Range Location: Ben Clark Public Safety Training Center
17425 Ferguson Avenue
Riverside, California 92518

Governing Rules: Current NRA Police Pistol Combat Rules will govern throughout the Tournaments. All competitors are encouraged to review the current PPC rules. The NRA Police Pistol Combat Rule Book is available on-line at ppc.nra.org.

Individual Eligibility: Open to any eligible law enforcement member as outlined in Police Pistol Combat Rule Section 2.4. These include active and retired Law Enforcement Officers, and full time Police Firearms Instructors, Transit Police, Penal Institution Guards, Industrial Police which includes Bank Guards and Armored and Express Company Guards, and Military Police. Federal Flight Deck Officers who hold valid certifications are also eligible.

NRA Membership is not required for any NRA competitions but is encouraged. A special law enforcement discount form for NRA Membership and Renewal will be available at check in.

Competitors are not required to be members of the California Police Pistol Associations however non-members will be charged a one-time \$5 entry fee for each Open Class Division Match Aggregate.

Individual Classification: Competitors will be entered using their current NRA Police Pistol Combat Classification of High Master, Master, Expert, Sharpshooter, Marksman, or Classified. Competitors with expired Classifications, new shooters with no Classification, or those without a Temporary Record Score Book will be registered in the High Master Class as required by PPC Rule 19.2. Competitors may check their current NRA Classification at LEcompetitions.nra.org.

Team Classification: The teams will be Classified based on the Individual Classifications of each Team Member following NRA PPC Rule 19.16. To assist Team Captains in formulating their team membership, Rule 19.16 is printed below.

19.16 Team Classification: Teams are classified by computing the Team Average Classification" based on the individual classification of each firing team member. To compute the Team Average Classification each team member is assigned a classification value based on their individual classification using the below table.

The Classification Value for all team members is then added together and the sum is divided by the number of team members. The resulting number is used to determine the Team Average Classification by using the same table. Fractions of .5 are rounded up and will place the team in the next higher class. The "team average classification" will not affect in any way the individual classification of team members.

Example: Team member 1 holds an Expert Classification so is assigned a Classification Value of 4. Team Member 2 holds a Marksman Classification so is assigned a Classification Value of 2. Team Member 3 also holds an Expert Classification so is assigned a Classification Value of 4, Team Member 4 holds a Master Classification so is assigned a Classification Value of 5. Adding the Classification Values together gives a total of 15. Dividing this by 4 (total team members) gives a Team Average Classification of 3.75. Since fractions of .5 are rounded up, 3.75 is rounded up to 4 and classifies the team as Expert.

CLASSIFICATION VALUES

Classification	Value
High Master	6
Master	5
Expert	4
Sharpshooter	3
Marksman	2
Classified	1
Unclassified	0

Categories: There will be no categories used in these Tournaments.

Awards Schedule: For Awards Purposes, all individual fired scores will be combined to determine the Aggregate Winner.

One Award will be issued for every seven shooters per classification.

For the Paradise Classic Regional Police Pistol Combat Tournament the NRA will provide Individual Trophies, NRA Regional Medallions (*Medallions are sent out by NRA Law Enforcement Competitions after they receive Tournament scores*) and First through Third Place NRA Team Trophies for Open Class Revolver Matches 30 & 31 and Open Class Semi-Automatic Pistol Team Matches 32 & 33.

Team Matches: Open Class Division Teams must be declared by 0800 Saturday August the 21st.

Teams will consist of two or four firing members and a Team Captain. The Team Captain may be a competing member of the team. Membership can include officers retired from the agency if they are not now employed by another eligible agency. Eligible Military competitors who are also regular full time law enforcement, industrial law enforcement, or reserve/auxiliary law enforcement must sign up with other members from their law enforcement agency.

A competitor may shoot in all team matches but, cannot shoot as a member of both a two and four officer team in the same firearm match type. For instance, you cannot compete in Two Officer Open Class Semi-Automatic Team Match 33 and Four Officer Open Class Semi-Automatic Team Match 32.

Paradise Classic Regional PPC Tournament: These will be non-fired using each team members Match 5 or Match 12 score as appropriate. Since these will be non-fired matches, pursuant to PPC Rule 19.3 no team scores will be forwarded to NRA Law Enforcement Competitions.
