

**California PPC League
is Hosting the
2025 CPPA Awards banquet**

July 11th, 2026

**at the
Ben Clark Training Center**

**Hosted by the
California PPC League**

This year we will have our banquet dinner at the range starting approximately 4:30 to allow those who couldn't shoot on Saturday time to get to the range. The League will be providing brisket for the food, unsure what sides we will have at the moment. Since we will be dining at the range, only soft drinks will be permitted. We will be presenting the final CPPA awards for the 2025 season. Join us if you can.
